Ratio of Refinancing by Sponsoring Banks to Regional Rural Banks

1776. SHRI SAMAR MUKHERJEE: Will the Minister of FINANCE be pleased to state:

(a) what is the ratio of refinancing by sponsoring banks to Regional Rural Banks as per Regional Rural Bank Act and Rule thereunder;

(b) what is the percentage of refinancing made by each sponsoring banks to their sponsored amounts;

(c) what is the percentage of sponsored amount pending with sponsoring banks year-wise; and

(d) what action has been taken by Government against the defaulting sponsoring banks?

THE MINISTER OF STATE IN THE MINISTRY OF FINANCE (SHRI DALBIR SINGH): (a) and (b) The Regional Rural Bank Act, 1976 does not prescribe any formula for refinance assistance to be extended by the sponsor banks to the RRBs. The sponsor banks are not expected to provide refinance assistance for schematic purposes where National Bank for Agricultural and Rural Development (NABARD) provides 90 per cent refinance and the balance 10 per cent is RRBs own involvement. Under the extent policy, RRBs are provided refinance in the following proportions with effect from 1-3-1987:

Purpose	National Bank	Sponsor Bank	Regional Rural Bank
Short term(ST) Seasonal Agricultural Operational . .	50	20	30
ST-other than Seasonal Agricultural Operation . . .	50	20	30
Medium term (MT) (Non-Schematic)	60	20	20

The percentage of sponsor banks refinance outstanding in respect of non-schematic advances to the refinance outstandings of National Bank for similar purposes to RRBs is given in Statement—I (*See belw*)

(c) The refinance outstanding sponsor bank-wise for the same years is given in Statement—II. (*See* below). There is no predetermined amount as targets for refinance assistance fixed for sponsor banks, compared to which, the balances can be indicated.

(d) NABARD has reported that from the year 1992-93, PRBs have been asked to ensure that at the time of each drawal under the National Bank's credit limit, the sponsor bank has invariably provided its share in proportion to the National Bank's refinance to them. In case of default by the sponsor bank, drawals of National Bank's limit will not be allowed.

Statement—I

Percentage of sponsor banks refinance outstandings in respect of non-schematic advances to the refinance outstandings of National Bank for similar purposes to RRBs
